GLOBAL FOCUS

Connecting Bangladesh's apparel solutions with international buyers.

BANGLADESH — A GLOBAL APPAREL SOURCING DESTINATION

Bangladesh has established itself as one of the world's important apparel manufacturing and sourcing destinations.

ApparelBD leverages this strong industry ecosystem to support international buyers seeking competitive, quality-focused and scalable apparel sourcing solutions.

Our Bangladesh-based sourcing foundation enables us to work with international customers while providing access to the country's established apparel manufacturing capabilities and supply chain. this is next page design

WHY BANGLADESH?

QUALITY

Delivering products according to agreed specifications.

QUALITY

Delivering products according to agreed specifications.

QUALITY

Delivering products according to agreed specifications.

QUALITY

Delivering products according to agreed specifications.

COMMITMENT TO INTERNATIONAL BUYERS?

At ApparelBD, our commitment goes beyond supplying garments.

We strive to become a dependable sourcing partner for international businesses by understanding buyer requirements and providing practical solutions throughout the order process.

WE ARE COMMITTED TO:

QUALITY

Delivering products according to agreed specifications.

RELIABILITY

Maintaining professional order coordination and communication.

Transparency

Keeping buyers informed throughout the sourcing and production process.

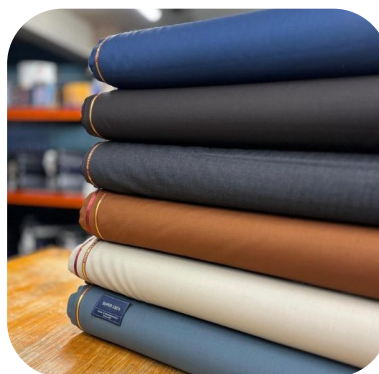

Flexibility

Supporting customized product and sourcing requirements.

Long-Term Partnership

Building sustainable business relationships based on mutual trust.

Bangladesh has established itself as one of the world's important apparel manufacturing and sourcing destinations.

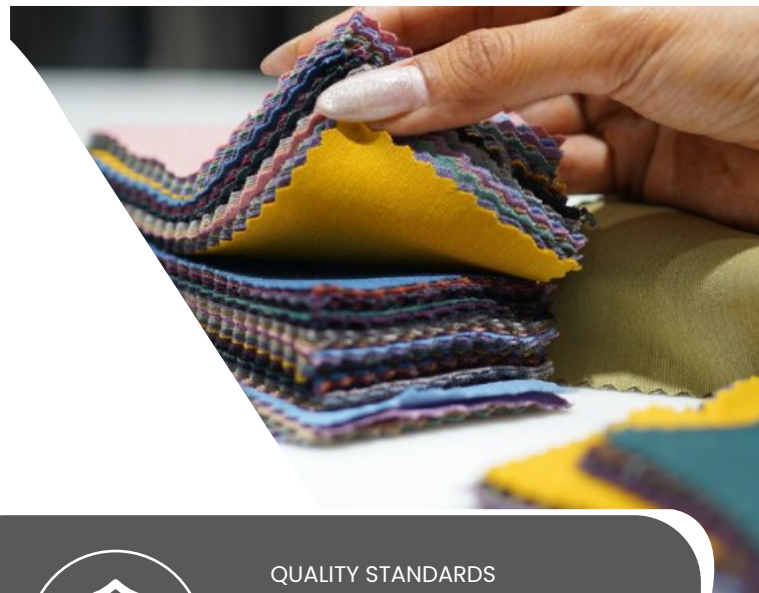

QUALITY POLICY

Pilot runs to identify potential process issues
Pre-productions In-line checking
Review in-line reports and take necessary actions
In-line inspection Pre-inspection during bulk Final inspection

International testing agencies like TUV, SGS, ULR test the fabrics and provide detailed reports as per buyer specifications.

COMPLIANCE AND SOCIAL RESPONSIBILITY

Apparel BD is committed to the best human workplace practices. Our goal is to continuously improve our Human Resources policies and procedures through education, training, communication and employees' involvement. To that end the Apparel BD has identified eight areas of importance. The company commits to management review, employees open communication, policy development and coordination with the SA 8000 standard to comply with all state/local laws and Industrial/Factory laws of peoples Republic of Bangladesh to provide a favorable employment environment that respects under employees.

QUALITY STANDARDS

Quality control is not just a method of inspection but a stage wide system of checks, approvals and suggestions.

THE EIGHT (8) IDENTIFIED AREAS ARE:

Child Labor Forced Labor Health and Safety
Freedom of Assembly/ Right to collectively Bargain
Discrimination Disciplinary practices
Working Hours Remuneration/ Compensation.

Apparel BD' quality motto is: " Best quality for each time, every time" by maintaining the highest quality standards at every stage of the manufacturing process. Quality control is not just a method of inspection but a stage wide system of checks, approvals and suggestions. We have created an independent Quality Assurance team whose responsibility it is to ensure that the buyer specifications (SGS, Intertek, etc.) and standards are met. Quality Standards – based on customer's requirements the Acceptable Quality Levels (AQL) range from 1.0 to 4.0

CHEMICAL TEST

All of our products are produced in accordance with international chemical restrictions. We offer to test our products in any accredited international laboratory. We provide all test reports on request.

PHYSICAL TEST

All fabrics are tested in our in-house lab before cutting. (weight, shrinkage, fastness, pilling, twisting) Embellishments are tested by our in-house lab during pre-production stage and randomly in bulk production.

WHY CHOOSE APPAREL BD?

We prioritize consistent product quality and attention to detail throughout the sourcing and production process.

QUALITY

Delivering products according to agreed specifications.

COMPETITIVE SOURCING

Bangladesh provides a strong and competitive foundation for international apparel sourcing.

BUYER-CENTRIC SERVICE

We understand that every buyer has unique requirements, timelines and quality expectations.

CUSTOM DEVELOPMENT

Products can be developed according to buyer designs, specifications, fabrics, measurements, branding and packaging requirements.

RELIABLE COMMUNICATION

Clear and professional communication helps ensure smooth coordination between buyers and production partners.

LONG-TERM PARTNERSHIP

We aim to build lasting relationships rather than focus only on individual orders.

Quality is one of the fundamental
principles of our business.

PREMIUM APPAREL SOURCING FROM BANGLADESH

We feel delighted to publicize to all our partners, clienteles/buyers that we believe whatever we have achieved; it's first credits goes towards our compassionate customers & second credit goes towards out well-built and analytical team. Theof magnetizing the world's top grade & wellk-nown buyers by attracting them towards excellent service and product quality. journey of Apparel BD

At Apparel BD, we endeavor to build quality not just in our garments, but also in all aspects of our business. We pride ourselves on the fact that we invest so much effort to provide a high-quality product for a very competitive price. Although, not always the cheapest, we are confident our customers will receive a product that will perform and provides a solution for them.

An important aspect that separates us from our competition is that we work very hard to find a solution for our customers not just for short-term but for long-term as well.

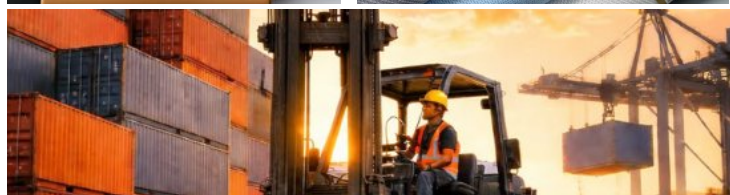

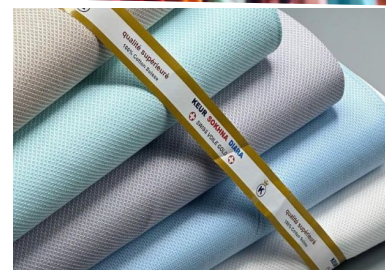

Our agenda is to find a successful, workable solution for you, our customers and that is our Promise.

Thank you for being with us.
